

JOB DESCRIPTION:

PART-TIME NURSE PRACTITIONERS

The Advantage Health Centers, Federally Qualified Health Centers (FQHC's), located in Detroit, MI, (www.ahcdetroit.org) provide comprehensive health/dental services to insured, and medically underserved individuals; have openings for Family Nurse and Adult Nurse Practitioners to provide services as described below:

Part- time positions @ \$45/hour without benefits for experienced nurse practitioners to manage an adult/pediatric caseload in a family practice community setting. The position requires a FNP to work as half of the daily provider team consisting of an FNP and MD in a health center, or as an independent provider on the Mobile Health Clinic. Medical Malpractice is provided.

Support staff consists of administrators, medical assistants, clerical staff and social workers. The position reports to the Medical Director.
